

**NOTICE
REQUEST FOR PROPOSAL**

The Mansfield Economic Development Corporation (MEDC) is currently accepting proposals to identify possible solutions to the shortage of existing industrial buildings available to meet current market demand in the City of Mansfield. One possible solution is the development of a “virtual building” where by the necessary steps are taken to obtain a building permit for an approximate 100,000 sq. ft. building but the plans are not finalized and permits are not obtained until an end user is secured. Proposals should be submitted to City Hall, Attention: Vicki Collins 1200 E. Broad St. Mansfield, Texas 76063 no later than 4:00pm on June 28, 2013. The envelope must be sealed and clearly marked with “RFP Virtual Building, Bid #2013-39-01-01.” The final selection will be based on the best value to the MEDC and the City. The Mansfield Economic Development Corporation reserves the right to reject any and/ or all proposals received. To receive more detailed information please contact the Mansfield Economic Development Corporation at 817-453-1006.
